## Partner Profile - Prestige Business Interiors

<http://www.prestigebusinessinteriors.com/>Prestige Business Interiors is a leading regional commercial office furnishings company with an extensive range of products and services to create and support great places to work. They understand that the intent of most office design projects is to address organizational and business objectives. A professionally planned office environment by Prestige can offer many benefits which include: maximizing space utilization; promoting creative thinking and collaborative work; improving employee recruiting and retention; increasing productivity, and much more.

Prestige Business Interiors is the authorized dealer in the region for Herman Miller ([www.hermanmiller.com](http://www.hermanmiller.com)) considered by many to be the benchmark manufacturer in that industry. Their tagline says it best -- "We work to help you work!" Feel free to visit them in their Waterloo showroom at 60 Northland Road or check out their website [www.prestigebusinessinteriors.com](http://www.prestigebusinessinteriors.com).

Peter Boak  
President  
Prestige Business Interiors

Prestige Business Interiors is really going to enhance CTT's "wow factor", with the look and functionality of furnishings in our new office space. We are proud to announce that Prestige joins our other Corporate Partners to help CTT make a good impression on visiting international prospects.
